LORNA G. SCHOFIELD, District Judge:

WHEREAS, the initial pretrial conference in this matter is scheduled for February 25, 2021, and no significant issues were raised in the parties' joint letter or proposed case management plan ("CMP").

It is hereby

ORDERED that the February 25, 2021, initial pretrial conference is **CANCELLED**. If the parties believe that a conference would nevertheless be useful, they should inform the Court immediately so the conference can be reinstated. The CMP will issue in a separate order. The parties' attention is particularly directed to the provisions for periodic status letters, and the need for a pre-motion letter to avoid cancellation of the final conference and setting of a trial date. It is further

ORDERED that if Defendant seeks to file a motion to dismiss, it shall file a pre-motion letter pursuant to Individual Rules III.A.1 and III.C.2. It is further

ORDERED that, if and when the parties are ready to proceed with mediation or a settlement conference, they shall file a joint letter on ECF requesting a referral.

The parties should be aware that the Court does not extend the deadlines for fact discovery absent compelling circumstances, and that the use of any alternative dispute resolution mechanism does not stay or modify any date in the CMP.
